Fund Raising – Joel Valenti

- Michael Angelo's fundraiser cancelled due to cost issues.
- The group discussed the need to identify a new fundraiser, including the option of continuing on with the pasta dinner. The pasta dinner was the primary fundraiser bringing in \$3900 in 2019 after expenses.
- The group discussed ongoing concerns about the ability to get parent and student volunteers for the pasta dinner as well as home days.
- Other ideas were discussed such as:
 - St. Basil Raffle which included a Disney trip or cash prize as well as a substantial second prize. The boosters need more information on how to plan and coordinate this type of fundraiser.
 - Kathy V. said she could get some info from a Coop on how they coordinated.
 - Wing Ding Night
 - Place in N. Royalton had a Wing Ding night at \$25 / ticket. Included drink tickets and food. Nadine to gather more information.
 - Booster T-shirt fundraiser
 - Craft show
 - Browns Volunteering (at a Brown's game) – must commit to a minimum number of people and is a time commitment (before and after the game).

OLD BUSINESS

Home Days:

- Joe stated we were not able to rent a grill for Home Days so the Boosters cannot sell hamburgers.
- The boosters will still sell pretzels, shaved ice, ice cream, pop, water, and ride tickets.
- Joe will provide the cash boxes for each booth.
- Beth L. will coordinate the pretzel booth.
- Nadine will confirm with Bill for the shaved ice and ice cream.
- Nadine to follow up with the Botzman's on coordination for ticket booths.
- Nadine to confirm with Fosters for pop and water.

NEW BUSINESS

Executive Board Membership:

- Joe noted that he will be coming off the board as Treasurer at the end of the 2019-2020 school year. He has identified someone to replace him and will assist with treasurer activities during the 2019-2020 year.
- Nadine also noted she will be coming off the Board after the school year. Beth L. will likely fill the role as president, which means a new vice-president is needed.
