Matt-Band:

Current Activities

- **IHS Wind Ensemble**
 - **As we discussed at the last meeting, our focus has been the creation of small democratic teams to help improve our student-centered practices and overall band climate. February brought full-group discussions led by each of these teams with a number of positive changes possible for implementation next year.**
 - **While the program may not look different on the outside due to performance obligations, the student-perspective should be uniquely different.**
 - **Some areas for modification include the creation of a more rigorous selection and vetting process for our band officers, utilizing our performances to solicit donations, keeping this year's home band camp format with some minor changes, a revised daily schedule for our away camp, and a revamping of our grading procedures.**

Upcoming Activities

- **IHS Chamber Music Festival**
 - **Students continue to work in small groups arranging their own music, reflecting, and goal-setting for our Chamber Music Festival feedback marathon to be held in-school the week after Spring Break.**

- **Band Spring Concert: Tuesday, May 11 (Rain Date = Thursday, May 20) at the Stadium - 6:30-7:00p for IMS and 7:30-8:00p for IHS.**
- **Our annual music awards celebration is scheduled for Monday, May 10, but the format and location is to be determined with the possibility of including these after the respective Spring Concerts. We will not be indoors.**
- **2021 Marching Band information will be emailed and postal mailed home in the next week. I have updated our mailings to reflect our current safety measures and practices.**
 - **We are slated to return to Camp Burton with additional safety measures and precautions on July 25. A slightly lower-priced commuter option will be available for those who do not feel safe staying overnight in well-ventilated cabins with fewer students per cabin at the end of July.**
